## WELCOME TO THE ROYAL BLUE & SPA RESORT HOTEL ON CRETE !

I would like to guide you through the rich wine history of Cretan vineyards and winemakers. At the Royal Blue we believe that the Earth with her gifts is the ticket to an unforgettable experience. An experience that will be engraved in our mind and our heart.

The wines that are available for you have been hand-picked by us and we present them to you with pleasure. Legendary wine-makers with rare bottlings, independent growers with special cuvees and magical vintages from historical wine regions make up the stations of this wondrous journey. We are proud of the New Wines of Greece and we will be happy to suggest to you some of the most interesting.

We will be more than happy to participate in any of our themed wine-tasting sessions that we organise in cooperation with our wine producers in our beautiful wine cellar. Finally, do not hesitate to let your wine adventure at our in- house Sommelier's hands. We wish you a memorable gastronomical journey in the vineyards of Greece and the world... with us!
